## **Antiochian Village to Host In-Person Campers This Summer**

With the blessing of His Eminence Metropolitan Joseph, after having had several meetings and discussions to ensure the safety of our children and staff, we are pleased to announce that we will be opening the Antiochian Village Camp this summer in a limited capacity following all the necessary protocols and safety

measures.

We will send out information in a few days concerning registration, protocols and procedures, and updated information regarding Summer Camp this year, as well as posting all information to our website at [avcamp.org](http://avcamp.org). We will begin by contacting all families with campers who were registered for Summer Camp in 2020 and whose registrations rolled over to 2021. Once we have more information we will discern if there are any additional spots open for camp this summer. All communications will be sent by e-mail and announcements will be publicized on our Facebook and Instagram accounts. If you would like to be added to our e-mail list please sign-up here: <https://lp.constantcontactpages.com/su/1ghdk2P/signupAVemails>.

Please keep us in your prayers as we seek to offer a safe and enriching Summer Camp program this year!

In Christ,  
Fr. Chris
