

Patriarch of All Romania: Church fully backs ‘March for Life’, initiative to protect life

The Patriarch of All Romania, His Beatitude Daniel, in his sermon on Thursday, the Feast of the Annunciation of the Theotokos, reminded that the faithful on the day honor and entreat God for His blessing towards families, especially families with children.

The Romanian Patriarch spoke from the chapel of the Patriarchal residence, underlining that this is why the Church is wholeheartedly supporting the initiative “March for Life” – devoted to actions promoting the protection of life.
