

## **Patriarch of Romania Daniel: 'Invitation to confession is mercy'**

The Patriarch of All Romania, His Beatitude Daniel, during his sermon Sunday, emphasized that “the invitation to confession is mercy.”

His Beatitude explained that when we lead an individual to the Church, the house of God, we perform a good deed, by facilitating the latter’s spiritual healing.

“Through the forgiveness of sins; through a therapy of the body and soul, man reacquires his dignity with the Grace of God.”
