

A Thank You from the Office of Greek Education

The Director of the Office of Greek Education, Mr. Anastasios Koularmanis, would like to thank all the Greek programs, schools and students of the Greek Orthodox Archdiocese of America who helped with this bicentennial project by submitting a video. We would also like to thank Mrs. Meropi Kyriakou the President of the Greek Teachers Association “Prometheus,” for putting this video together.

Let us continue to celebrate all year round. Let us show the world how truly amazing Greece really is.
