The icon was painted by a hierodeacon of the monastery.

An icon of the Most Holy Theotokos started to stream myrrh in the Seletsky St. John the Theological Monastery, reports M-church.org.ua.

“Miraculously, the icon of the Most Holy Theotokos “Look Upon My Humility” began streaming myrrh. The miracle is taking place at the monastery in honor of the Holy Apostle and Evangelist John the Theologian, in the village of Seltso in the Irshav region,” the website reported.

Drops of myrrh are flowing down from both sides of the image of the Mother of God.

The abbot of the monastery, Archimandrite Agapit (Shpinyak), said that the icon was painted by a hierodeacon of the monastery. Drops of myrrh on the icon were first seen on Monday, March 29, 2021, while an akathist was sung.

The fact of myrrh streaming was testified by Metropolitan Theodore of Mukachevo and Uzhgorod.
