

Launch of Greening the Parish “How-to Videos”

Greening the Parish

To observe the global celebration of Earth Day, which was first held in 1970, the Department of Inter-Orthodox, Ecumenical, and Interfaith Relations welcomes its newest addition to the Greening the Parish initiative: The How-to Video Series. Beginning on Earth Day, the Department will be releasing weekly new videos featuring ideas and ways to introduce creation care and sustainability in your parish and home. Ranging from practical to theological, each three-minute video offers a unique perspective on environmental stewardship through the knowledge and expertise of Orthodox Christians across the United States.

Have you ever wondered how to start a garden at your parish? Or would you like to learn about 5 simple ways to green your parish? These videos will offer tangible actions you can adopt today, along with introductions to environmentalism, creation care, the theology of creation and the responsibility of Orthodox Christians.

The Greening the Parish Resource Page features information to further support parishes and faithful. Check it out: <https://www.goarch.org/society/greening-the-parish>.

Saint Joseph the Hesychast
Documentary  [Click here to watch](#) 

The banner features a dark background with a blue-tinted portrait of a man on the left and a portrait of a bearded man in a dark robe on the right. The text is centered in a serif font, with 'Saint Joseph the Hesychast' in orange and 'Documentary' in blue. A small moon icon is positioned between the words 'Documentary' and 'Click here to watch'. A white hand cursor icon points to the text 'Click here to watch'.
