Easter message by Archbishop of Australia Makarios: 'Do not be afraid'!

The Archbishop of Australia, His Eminence Makarios, issued his Holy Easter message, where he underlined to the faithful that “...do not be afraid. This is the phrase that the Myrrh-bearing women heard from the angel, when they visited the tomb of Christ. This is an important message for the people of the modern age, which dictates not to dare, not to seek, not to have courage and hope.”
