## **Metropolitan of Sweden and All Scandinavia Cleopas - As an expression of deepest gratitude!**

Christ is Risen, dearly beloved Brethren!

I feel the need and the moral/inner obligation to address words of gratitude to all those who contributed to the celebrations of Holy Week and Easter, starting with the V. Rev. Archimandrite Bartholomew Iatridis and the Rev. Deacon George Arvanitidis, the Ambassadors of Greece His Excellency Andreas Frygnas and of Cyprus His Excellency Sotos A. Liasidis, the President of the Philoptochos Ladies Society Mrs. Fotini Batsela and the ladies who offered the flowers, the prosfora and the palms, the members of the Parish Council of the Stockholm Cathedral for the impeccable observance of the Swedish State special measurements for the reduction of the Coronavirus Pandemic, the chanters Dr. George Vavilis, Dr. Andreas Selampsis, Dr. Georgios Sidiras, Mr. Dimitrios Batselas, Mr. Elias Gergi, Mr. Miltos and Ms. Iliana Antoniou, and concluding with Mr. Nikolaos Kitsios, who, throughout the Holy Week, was in charge of the daily live broadcast of the Church Services from the St. George Cathedral in Stockholm.

I express my deepest gratitude to all of you and prayerfully offer you my heartfelt Paschal wishes.
