Man of God’ film to be released in theaters in late August

The long-awaited date for the mass premiere of the film “Man of God”, Yelena Popovic’s transfer to the big screen of the life and works of St. Nektarios of Aegina, has finally been announced. The film will debut in movie theaters in Greece and Cyprus on August 26, distributed by Feelgood Entertainment.

Popovic, who wrote the screenplay and directed “Man of God”, spoke with

Pemptousia television in an exclusive interview, which can be seen on the platform’s on-demand section.
