Program Expanding to Include 18 year old High School Seniors (Class of 2021)

Due to overwhelming demand for the 2021 IV Next Program, Ionian Village is expanding the program to include 18 year old High School Seniors. All interested participants must be fully vaccinated against the COVID-19 virus and at least 18 years old by July 10, 2021 to attend this year's special program.

Registration for this program will close Thursday May 27th, one week from today.

IV Next is a 12-day, travel program, that visits all the traditional sites of Ionian Village. The program also features professional development sessions with members of Leadership 100 that integrate faith and career.

Again, the program will be for fully vaccinated young adults aged 18-24. Participants must be age 18 by July 10th. To register, please go to this link: https://ionianvillage.campintouch.com/ui/forms/application/camper/App
