

Holy and Great Monastery of Vatopedi continues support for multi-child families in Greece

The Holy and Great Monastery of Vatopedi, located in the semi-autonomous monastic community of Mt. Athos, this year again extended its support to college students and pupils belonging to multi-child families in Greece who excelled in their studies in 2018.

The annual event was held at a downtown Athens hotel to honor the families.

Fr. Timotheos, representing the Abbot of Vatopedi, Archimandrite Elder Efraim, conveyed the latter's best wishes to the young people and their families.

Timotheos, in his address, emphasized the importance of multi-child families in our society.
