Patriarch of All Romania Daniel issues message on occasion of World Social Media day

The Patriarch of All Romania, His Beatitude Daniel, on Wednesday issued a message on the occasion of World Social Media day, calling on the faithful to use such platforms properly, and within the framework of the modern world's challenges.

In the announcement, His Beatitude notes that "... let us use social networks with discernment and responsibility in the spirit of solidarity, respect and love of fellow human beings, and according to the words of the Holy Apostle Paul: 'Do nothing out of selfish ambition or vain conceit. Rather, in humility value others above yourselves, not looking to your interests but each of you to the interests of the others'."
