Support St. Iakovos Retreat Center – Metropolis of Chicago

Commemorate the 15th anniversary of the Greek Orthodox Metropolis of Chicago's St. Iakovos Retreat Center with your life-time legacy and be a part of the heritage at the Retreat Center. Honor your family, children, grandchildren, business, corporation, association or provide a lasting tribute memorial for a loved one by gifting a personalized brick. It will be installed in the chapel area leading up to the front doors and on the cottage sidewalk to help beautify the grounds and enhance our place of retreat.

Your gift helps the St. Iakovos Retreat Center achieve its mission to provide a place of retreat for faith, fellowship, and rejuvenation to inspire personal growth within the peace and beauty of nature. To donate and learn more, please visit: www.gosirc.org.
