MYRRH-STREAMING ICON OF ST. PAISIOS ON CRETE (+VIDEO)

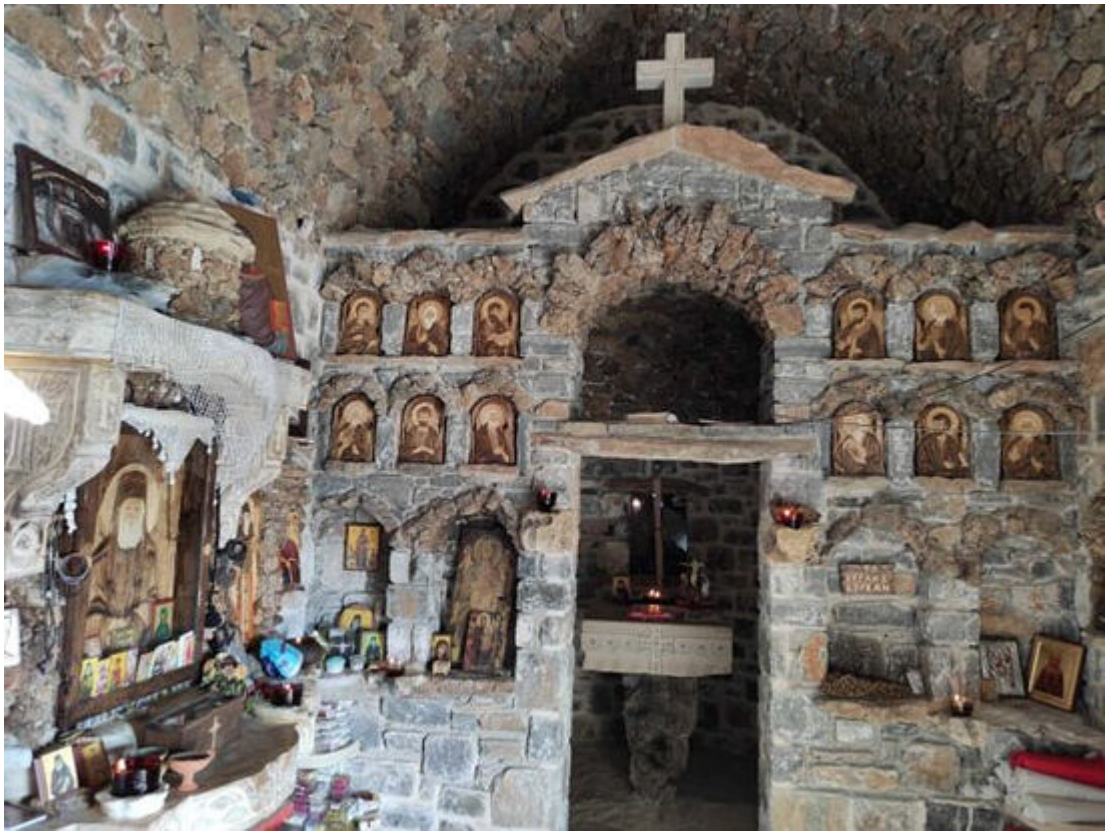

An icon of St. Paisios the Athonite is streaming myrrh in the small Church of St. Paisios in Damnoni in South Crete, report the Orthodoxia News Agency.

The sweet fragrance of the myrrh fills the church, to which pilgrims have been flocking to venerate the icon.
OrthoChristian recently reported on two miraculous healings worked by St. Paisios in the Congo, and on the opening of a church dedicated to St. John the Forerunner and Sts. Paisios, Porphyrios, and Iakovos of Evia.
