Feast day Panteleimon, the Great Martyr & Healer celebrated at two Fthiotida cathedrals dedicated to the saint

The Metropolitan of Fthiotida, His Eminence Simeon, this week visited several cathedrals and monasteries in the south-central prefecture of Fthiotida, on the occasion of Tuesday's feast day of Panteleimon, the Great Martyr & Healer.

His Eminence officiated at the Archieratical Vespers at the celebrating cathedral of St. Panteleimon at the Metropolis-run elderly home in the city of Lamia, while later also officiating at a Great Archieratical Vespers at a remote monastery chapel also dedicated to the saint – at the KloNI site.
