“The images and stories coming from Greece are terrifying,” Supreme President Kokotas said. “Our thoughts and prayers are with all who have been affected by this tragedy. We are extremely grateful to Greece’s first responders and to all nations that have offered support and assistance. We will stand with Greece as we did in 2007, 2018, and during other times of great need.”

At last week’s Supreme Convention, AHEPA presented a donation of 159,000 Euros, funds raised following Greece’s wildfires of 2018, to Evangelismos Hospital for the completion of a burn unit. In 2007, AHEPA transported 270 care packages totaling $250,000 worth of goods and raised an additional $250,000 in financial assistance for victims of Greece’s wildfires.
