

Well-known Christian advocate Hank Hanegraaff on his conversion to Eastern Orthodoxy, and his battle to beat cancer

US author and talk-show host Hank Hanegraaff, a former Evangelical, this week stated that he faced a 2017 diagnosis of lymphoma with serenity, following his conversion to Orthodox Christianity.

The well-known Christian advocate also spoke about his journey – literally and spiritually – to the Holy Mountain, the semi-autonomous monastic community of Mt. Athos, in northern Greece.
