-Our God is a God of love, a God of mercy, but also a God of justice who observes everything and sees everyone’s sighs, worries and tears and everything that burdens a person and what a person cares about, and that encourages us in these times of great challenges. God not only watches but also suffers with us by feeling the cross we carry and therefore we do not allow ourselves to think that we are alone, because the Lord is always with us, he only expects us to turn to him and cry

dy to enter. May the Lord allow us peak with our deeds, our Christian ove and our prayer, Bishop Siluan
