‘Holy Knowledge: The Beauty Within’ by Vatopedi Publications

The Greek-language book “Holy Knowledge: The Beauty Within”, by the Metropolitan of Nafpaktos & Aghios Vlasios, His Eminence Ierotheos, has been unveiled by Vatopedi Publications.

The book was inspired by the synaxes (assemblies) dating from 2015, when His Eminence was invited by the Elder Archimandrite Ephraim, the Abbot of the Holy and Great Monastery of Vatopedi, to visit the venerable Mount Athos Monastery, in order to speak and discuss theological and spiritual matters with the monastery’s brotherhood.
