Interview with His Eminence Archbishop Elpidophoros of America

Archbishop Elpidophoros sat down with Bill Marianes, host of the Ancient Faith Radio program “Stewardship Calling,” to discuss this year’s meeting of the Assembly of Bishops.

His Eminence also reflected on the Year of the Youth and the Assembly’s creation of two new pan-Orthodox agencies: the Orthodox Volunteer Corp and a Youth & Young Adult Ministries Agency.

“We need to offer them this vision, this perspective for the future...Otherwise we will lose our future and we will lose our youth.” His Eminence said.
