Church to open new primary school in eastern Uganda

A new primary school funded and managed by the Church in sub-Saharan Africa will soon open, and specifically in the Orthodox Diocese of Gulu and Eastern

Uganda.
The school site, to be dedicated to the Archangel, was recently visited by the Bishop of Gulu, His Grace Silvester, and his associates.

Establishing more schools on the continent is one of the primary goals set by the Pope and Patriarch of Alexandria and All Africa, His Most Divine Beatitude Theodoros II.
