Enlightened Evenings in Birmingham

Birmingham we heard your call – Enlightened Evenings is coming to you!

Join us at our launch of Enlightened Evenings Birmingham on Saturday, November 13, 2021(16:30-20:30) at Kouzina Greek Meze Restaurant in Selfridges Birmingham.

Kouzina is graciously sponsoring this event and it’s excited to host Enlightened Evenings.
Enlightened Evenings is a series of socials bringing together young adults (ages 25-

40).

Hosted at various stylish venues in premium locations, where over music, a sumptuous buffet of fine cuisine, flowing wine and soft drinks (included in the ticket cost), guests can meet one another and bask in the ethos, culture, and fellowship our Community provides.
These receptions are organised by the Greek Orthodox Archdiocese of Thyateira and Great Britain regularly on Saturday or Sunday evenings.

Don’t miss out…!

Proceeds from Enlightened Evenings will support Archdiocesan charitable work and outreach.
