Holy Monastery of David of Evia celebrates feast day

Today, Nov. 1, is the second feast day for the Holy Monastery of David of Evia. The Metropolitan of Halkida, His Eminence Chrysostomos, officiated at a Divine Liturgy at the monastery, and co-officiated by the abbot of the monastery, Elder Gabriel.
A Great Vespers was held on Sunday afternoon, followed by a litany of the saint's Holy Relics around the monastery's courtyard.
