His Eminence Archbishop Makarios visited St. Procopios, luwayo Lugazi district for Divine liturgy

Nov 11 2021 His Eminence Archbishop Makarios visited St. Procopios, luwayo Lugazi district for Divine liturgy. The Archbishop was welcomed by local priests nuns and parishioners of this lovely church. The priests thanked his Eminence for the visit and blessings. Below is a short speech of His Eminence.

“Rev frs, mother superior, nuns present, brother and sister in Christ, I great you all in the name of the Father Son and Holy Spirit. It is a great joy for me to be able to travel all the way from Nairobi and come to celebrate the divine liturgy with you. First let me take this opportunity to convey great wishes from our beloved Patriarch who sent me here.

Frs, brothers and sisters in Christ, let me give you a small teaching that all of us need to try and learn. It is about humility, in each of us. We are not perfect we are

not Holy, we all have one element, egoistic element which disturb us and it’s a Satan in all of us. We are invited to the body of Christ, no tribe, no black, or white, no rich or poor, we are all equal in the eyes of God. If we know or learn how to try and conquer this satanic element, the devil will not be able to conquer us. Let us embrace each other, let’s love one another while we are here on earth, for us to inherit the kingdom of God. May the blessings of the Lord be with you.”
