Collection and distribution of Childrens toys from All Saints Parish in Belmore, Sydney

The parishioners of All Saints, in Belmore, Sydney, aspired to offer smiles and comfort to large families, and especially to their youngest members, the children, through the initiative they organised in which to collect toys for the Christmas season.

The response of the people of the Parish – Community was remarkably moving and so a large number of toys were collected, which were sorted and started to be delivered to community organizations in the area.

On Tuesday, December 14, members of the Belmore Community and Youth Committee visited the Greenacre Area Community Center and Campsie Police Area Command, where they handed out a significant number of toys to distribute to those in need.
