IOCC Announces Challenge Grant for Summer’s Wildfires in Greece

The George and Judy Marcus Foundation and the Jaharis Family Foundation have together provided IOCC with a six-figure matching challenge grant to support IOCC’s long- term response to last summer’s wildfires in Greece. With the Marcuses providing the lead gift of $300,000, Mr. Marcus encouraged IOCC to multiply proceeds to help more people. In addition, the Jaharis Family Foundation committed another $85,000, creating a total matching gift challenge fund of $385,000. To meet the vast needs in fire-ravaged regions, the Marcus and Jaharis Foundations are working with IOCC to urge others to support recovery efforts. Give now and double your impact at http://iocc.org/greecefiresmatch22.
