

## Re-dedication of renovated chapel on Cyprus

A re-dedication of a renovated chapel was held on the eastern Mediterranean island of Cyprus on Sunday, and specifically at the Holy Monastery of St. Anthony at the Derynia site of the Famagusta, followed by a con-celebratory Vespers, officiated by the Metropolitan of KonstanTla and Ammohostos, His Grace Vasilios. The place of worship first served as a nunnery in around 1850.
