Tipografia cărților bisericești la 140 de ani | În imagini

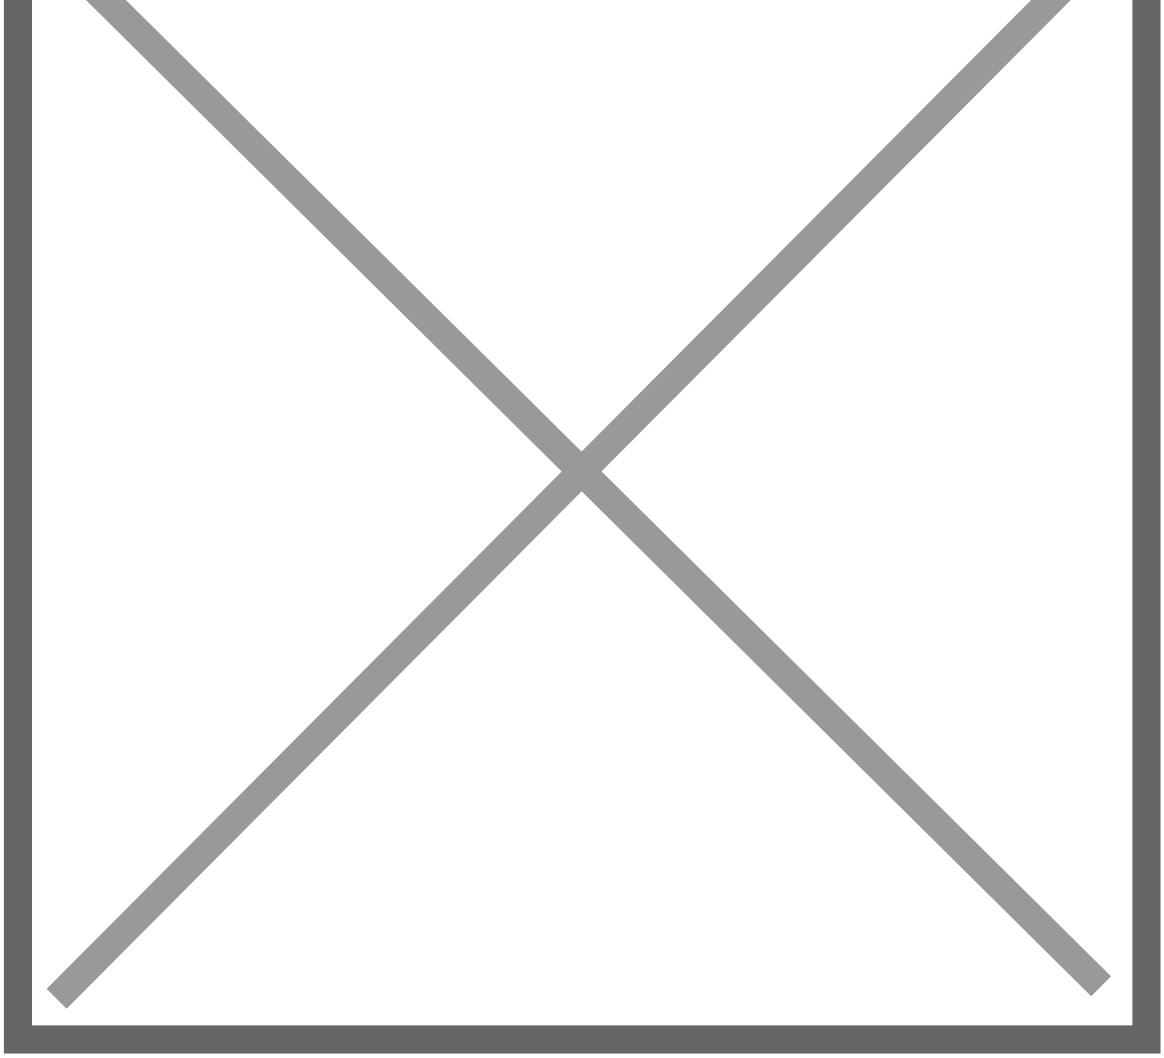

image not found or type unknown

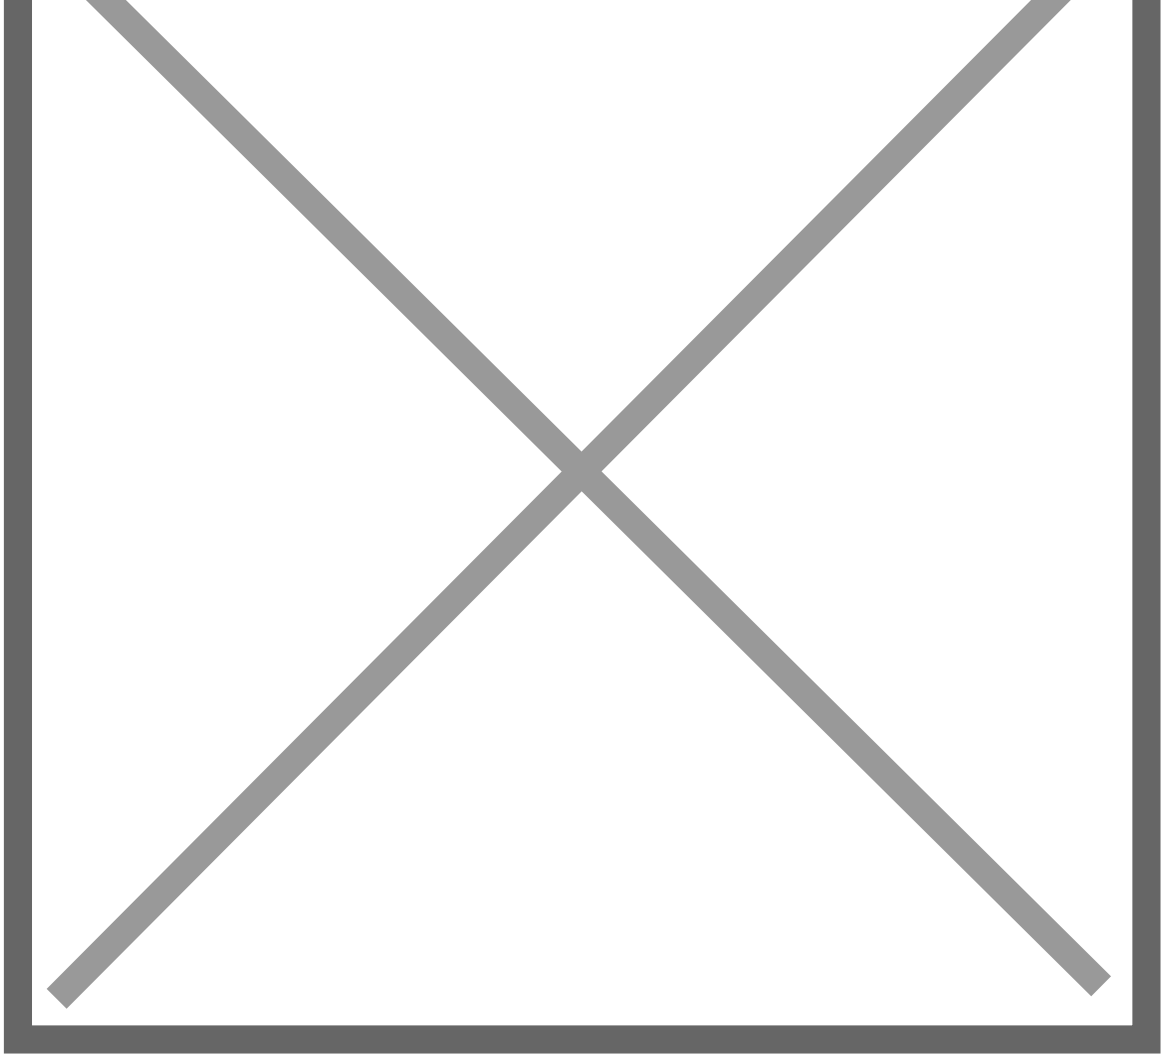

Tipografia cărților bisericești împlinește luni, 17 ianuarie, 140 de ani de la înființare.

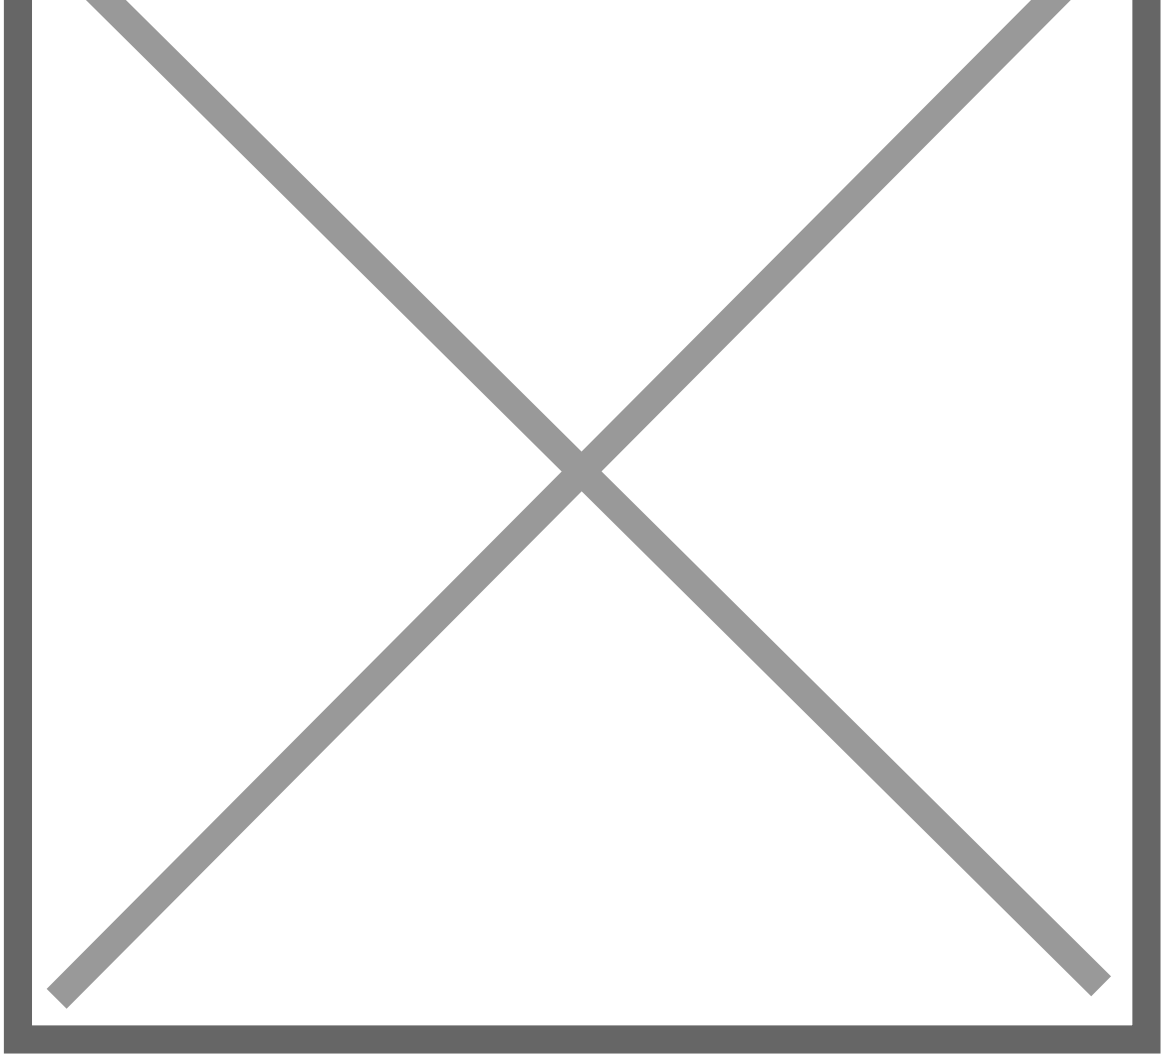

În cele două secții ale tipografiei, Offset și Legătorie, se realizează toate etapele cuprinse între manuscrisul brut și cartea finită, care este găsită pe rafturile unei librării.
