The Metropolitan of Montenegro and the Littoral, His Eminence Joanikije, visited the Patriarchal Monastery of Pec and the historic Decani Monastery this week, on the occasion of the feast day of St. Gregory the Theologian, as based on the Julian calendar.

His Eminence later officiated at the Divine Liturgy at the Stavropegic Pec Monastery, before travelling to the Decani Monastery, where he was greeted by its Abbot, Archimandrite Fr. Sava Janjić and the monastery’s brotherhood.
