# Archieratical Divine Liturgy at Metropolitan Cathedral of the Archangels in Brussels

An archieratical Divine Liturgy was conducted on Sunday at the Metropolitan Cathedral of the Archangels in Brussels, officiated by the Church of Cyprus' Metropolitan of Paphos, His Grace Georgios, and co-officiated by the resident shepherd of the Orthodox Church in Belgium, the Low Countries and Luxembourg, His Eminence Athinagoras.

In a related development, the Church of Cyprus this month formally awarded a property it possessed in Brussels to the Ecumenical Patriarchate and the Metropolis of Belgium.
