

Archmandrite Elder Ephraim's address on occasion of the presentation of St. Justin Popović's work, 'Dogmatics of the Orthodox Church'

The Orthodoxia News Agency's web pages and the online magazine pemptousia.gr feature a new and very timely address by Archmandrite Elder Ephraim, the Abbot of the Holy and Great Monastery of Vatopedi on the semi-autonomous monastic community of Mt. Athos.

The address coincides with the presentation of a new edition by the Holy and Great Monastery of Vatopedi, entitled "Dogmatics of the Orthodox Church. The Orthodox Philosophy of Truth", written by St. Justin Popović of Čelije.

The book presentation was held recently in Athens.
