## **Spiritual teachings by the Elder Ephraim every Sunday on Piraeus Metropolis' radio frequency**

The Piraeus Archdiocese's radio station will broadcast a new program every Sunday at 1 p.m. (11.00 GMT), immediately after the program by the Metropolitan of Piraeus, and featuring the spiritual addresses of Archimandrite Elder Ephaim, the Superior Abbot of the Holy and Great Monastery of Vatopedi.

The title of the new radio program is "Lessons from Athos", a reference to the semi-autonomous monastic community of Mt. Athos, where venerable Vatopedi Monastery has been established since the 10 century A.D.

The program will be repeated every Saturday evening at 22.30.
