Metropolitan of Montenegro & the Littoral Joannikije calls on faithful to express Christian charity to Ukrainian war refugees

The Serbian Church's Metropolitan of Montenegro & the Littoral, His Grace Joannikije, on Thursday detailed recent developments in Church-state relations in the small Adriatic country, speaking during a press interview.

His Grace also underlined the Christian charity that the Orthodox faithful in Montenegro should show to Ukrainian refugees, just as they did for the Serbian refugees fleeing Kosovo & Metohija two decades ago.
