## **Frontman of “Karamazov Brothers”: The Orthodox, fear nothing but God!**

The frontman of the “Karamazov Brothers” band urged Ukrainians to stop and not participate in the persecutions of the canonical Church.

Producer and musician Oleg Karamazov published a corresponding video message in the social network.

“Now, just like a hundred years ago, those deceived by politicians seize temples, beat holy fathers, tear apart the body of the Church.

Stop! Do not take sin on the soul.

Fear nothing but God. You are Orthodox,” he said.
