George N. Boulukos EOCS Scholarships for College-Bound Scouts

The Eastern Orthodox Committee on Scouting (EOCS) offers two $1000 college scholarships each year to young men and women who have completed the highest award of their Scouting organization as well as the Alpha Omega religious award of the EOCS. We select applicants who best demonstrate love of God and the Orthodox Christian Faith through service, scholarship, leadership, and practical citizenship in their church, school, Scouting unit, and community. Applicants must be seniors in high school; forms are due May 1. If there are obstacles to completion by that date and you wish to apply, please contact the Chairman, Dr. M. E. Kotsonis, before May 1 (). For full application details, go to: eocs.org/scholarship
