Feast day of Great Martyr George commemorated at dedicated church in Papagos

The feast day of Great Martyr George was joyously commemorated at the dedicated church of St. George in the east Athens district of Papagos.

The afternoon Easter Vesper Service of Agape, with agape meaning love in Greek, as well as the Divine Liturgy were live-streamed by the online platform Pemptousia, with the Byzantine choir of the church directed by first chanter Georgios Konstantinou.
