32nd anniversary of institution of coenobitic monastic order on Holy & Great Monastery of Vatopedi

Sunday marked the 32nd anniversary of the institution of a coenobitic, communal, monastic order on the Holy & Great Monastery of Vatopedi, on Mount Athos. The Sunday of the Holy Myrrh-bearers also witnessed the 32nd anniversary of the enthronement of the Elder Archimandrite Ephraim as the Abbot of the venerable monastery.

A documentary has been posted today on the pages of the Orthodoxia news agency, detailing the centuries of history of the Holy & Great Monastery of Vatopedi.
