Live-streaming of services ahead of Saturday’s great feast day of Constantine & Helen

Pemptousia will live-stream liturgical services from the Sacred Cathedral of the Holy Unmercenaries in the Plaka district of central Athens, beginning this evening, on the occasion of Saturday’s great feast day of Constantine & Helen, Equals-to-the-Apostles.

The live-streaming will begin at 20.00 Athens time, or 18.00 GMT, with a vigil at the cathedral, a glebe of the Church of the Holy Sepulcher of Jerusalem, and veneration of an exact replica of the wonder-working icon of the Panaghia of Bethlehem.
