Patriarch Neophyte of Bulgaria discharged from hospital

After fourteen days of treatment at Sofiamed University Hospital, His Beatitude Patriarch Neophyte of Bulgaria was discharged and returned to the Patriarchal Home at the Sofia Holy Metropolis, where he will continue with rehabilitation procedures until his full recovery.

The Patriarch wholeheartedly thanked the management of the hospital in the person of Dr. Mihail Tikov for the attention!

Special thanks to the team led by Dr. Biser Bonchev, who performed the surgery!

Thanks also to Dr. Lyudmil Varlyakov, Assoc. Prof. Dr. Velina Gergelcheva, Dr. Iveta Tasheva, as well as to all doctors, nurses, rehabilitators, nurses and service staff who took care of the rapid recovery of His Beatitude!

The Primate of our local Church wishes the hospital team good health, mental and physical strength and success in their responsible vocation.
