Learning and Living the Liturgy

On 7th June 2022, nearly 50 individuals attended the daily vesper service in the Archdiocesan Chapel of the Annunciation as part of the Learning and Living the Liturgy Orthodox Theology and Christian Culture Lecture Series established by His Eminence Archbishop Nikitas of Thyateira and Great Britain in 2020. This gathering was the fourth hybrid (in-person and on Zoom) lecture following the daily service. The lecture focused on the Sacred Vestments covering the Holy Table and concerning those belonging to the three Sacred Ranks of the Holy Priesthood. A reception followed the lecture with fellowship and discussion.
