# Unesco: More than 150 cultural sites partially or totally destroyed in Ukraine during war

Unesco this week revealed that than 150 cultural sites have been partially or totally destroyed in Ukraine in nearly four months of war.
In a statement, the UN agency noted that “…according to the checks carried out by our experts, 152 cultural sites have been partially or completely destroyed due to the fighting, including 70 religious sites, 30 historic buildings, 18 cultural centers, 12 museums and seven libraries.”

UNESCO said most of the damage has been reported in three provinces, namely, Donetsk, Kharkiv and Kiev.
