## **Patriarch of Moscow: Our good deeds the ticket to Kingdom of God**

The Patriarch of Moscow and All Russia, His Holiness Kirill, noted this week that "...there is only one ticket to enter the Kingdom of God, and this is our good deeds," in his reference the parable of the Ten Virgins.

The Russian Patriarch added: "... It is significant for use to fill our lives with good deeds, not beginning tomorrow, or as of Monday, or after the holidays ... We must decide today to make good deeds."
