Camp St. Paul Concludes 17th Successful Summer

Serving 650 of the Archdiocesan District's youth along with 100+ young adult counselors, and with blessing and loving support of His Eminence Archbishop Elpidophoros, Camp Saint Paul concluded a successful 17th summer on July 31st, 2022. During the five weeks of camp, children from across the district were engaged in faithful conversations, personal prayer with God, fun filled activities, an in depth look at their Greek heritage, and fellowship.

With the guidance of over 15 clergymen from throughout the district, campers dove into this year's theme of "Faith. Love. Commitment" and what it means to be a practicing faithful, loving and committed Orthodox Christian not only on the campgrounds but also in their lives away from camp. In its first summer at full capacity post-pandemic, Camp Saint Paul did not skip a beat and proves time and again to be the crown jewel of Youth Ministry in our District. Camp Saint Paul thanks all the young adults who make camp possible every year along with the support of everyone in the District. Closing out this summer, CSP looks forward to our reunion scheduled for Friday, December 30, 2022 at the Church of our Saviour in Rye, New York.
