Miracle of the Holy Light at the Cathedral of the Holy Sepulcher

The miracle of the Holy Light at the Church of the Holy Sepulcher in Jerusalem again touched millions of faithful in every corner of the world this year, coming in the afternoon of Holy and Great Saturday, the day before Easter.

Touching scenes materialized at the Holiest of Christian sites, with many worshipers weeping at the emergence of the Holy Light.

Conversely, and unfortunately, the envy of other representatives of other Christian dogmas was again evident, as they have for centuries wanted their primate be in the place of the venerable Greek Orthodox Patriarch of Jerusalem.

A scene from the poignant ceremony posted today on the Orthodoxia news agency.
