

## **Photo competition 'Colors of Orthodoxy: Albania'**

An international photographic competition is being jointly organized by the Autocephalous Orthodox Church of Albania and the Autocephalous Orthodox Church of Albania, entitled "Colors of Orthodoxy: Albania".

The competition's aim is to present the multi-faceted beauty of Orthodoxy in Albania, which is thriving in the post-Cold War era.

The Orthodoxia news agency is a sponsor of the competition and the related exhibition, after a relevant proposal by the Archbishopric of Albania.

For more information, including for would-be participants, turn to the pages of the Orthodoxia news agency.
