## **Metropolitan of Kinshasa Theodosios speaks to Orthodoxy news agency this week**

The Patriarchate of Alexandria and All Africa's Metropolitan of Kinshasa, His Eminence Theodosios, spoke to the Orthodoxy news agency this week over the significance entailed for local society by the operation of Orthodox University of the Democratic Republic of the Congo, a week after several senior students were awarded degrees in IT studies by the school.

His Eminence also noted that the college, which includes a theological seminary, is a source of new Orthodox clerics.
