Digital fellowship with Elder Ephraim and members of MEDSCIF

A digital fellowship with Elder Archimandrite Ephraim, the Abbot of the Holy and Great Monastery of Vatopedi, and members of France's MEDSCIF Association will take place today at 19.30 Athens time or 17.30 GMT.

The digital fellowship is organized by the web platform Pemptousia, the French portal Orthodoxie.com and MEDSCIF, which stands for the Medicine, Science and Faith Association.

A simultaneous interpretation will be available in French, English, Romanian, Georgian, Russian and Arabic.
