Patriarch of Georgia sent birthday wishes to the Archbishop of Albania

To His Beatitude, Anastasios,
Archbishop of Tirana, Durres and All Albania

Your Beatitude, Beloved Brother in Christ,

On behalf of the Orthodox Church of Georgia and, personally, on my behalf, I cordially congratulate you on your birthday.

You are one of the oldest foremost hierarchs among the leaders of the Autecaphalous Orthodox Churches, who have walked in a long and fruitfull path of the service to the Lord, and you have made a distinguished contribution to the history of the Church of Albania.

We implore God that the Almighty might grant you many more years of ministry for the well-being of the World Orthodoxy.

With fraternal love in Christ,

Catholicos-Patriarch
of All Georgia
