The Holy Icon of Panagia Paramythia Vlach Sarai at the Ecumenical Patriarchate

The Professor of Cardiac Surgery Mr. Dimitrios Iliopoulos, in the context of his great love for the Romiosyni of the City of Constantinople, donated to the Community of Panagia Paramythia Vlach Sarai together with his wife Mrs. Loukia and their son Aris, the Holy Icon of the Virgin of Paramythia, crafted by Hieromonk Loukas Xenofontinos the Hagiographer.

The photographic snapshot is from the handing over of the Icon to His All-Holiness Ecumenical Patriarch Bartholomew.

The Board of Trustees of the Community of Panagia Paramythia Vlach Sarai expresses its deepest thanks to the Iliopoulos family for this moving and symbolic gesture at the beginning of the ground-up renovation of the Sanctuary of the Church.
