Christmas Enlightened Evenings celebration at central London hotel; festive message towards Ecumenical Patriarch

Nearly 100 young adults attended the Christmas Enlightened Evenings celebration on Tuesday at a central London hotel.

During the festive occasion, young adults holding Patriarchal flags made a video greeting for the Ecumenical Patriarch of Constantinople, His All-Holiness Bartholomew I, extending their best Christmas and New Year's wishes to the Primate of the Mother Church.

His All-Holiness had attended the previous Enlightened Evening last October, during a pastoral tour of the Archdiocese of Thyateira and Great Britain.
